**You Save: £350.00**

This product is frame/fork only.

The KULT represents the natural evolution of the Kredo Ultra: - Super-light monocoque frame.  
Semi-integrated seat post - Unique seat post means the seat can be reversed for optimal seating position for Olympic Triathlon.

Newly reinforced bottom bracket and BB30; - One-piece carbon dropouts and internal cable routing.

Improved head tube section, with KDS and the new KR1 fork work to maximize front-end rigidity for perfect control. Kult is available in 6 sizes, with sloping geometry.
